GUANGDONG UPAL DISPLAY TECHNOLOGY CO., LTD.

## About us

Stock code: 834312

Upal is an innovator in display and point-of-purchase solutions. We strive to push the boundaries of creativity in design and manufacturing, to provide a range of customized display solutions that suit your brands and your unique requirements.

We have 16 years of professional manufacturing experience, and have been providing display solutions for stores and OEMs for a long time. We are committed to offering quality products at reasonable prices but with excellent services at the same time.

We have established business relationships with many well-known international brands: Coca Cola, Nestle, Red Bull, Kraft, Siemens, Samsung, LG and so on. We provide one-stop services from designing, manufacturing, delivering, installing, maintaining, online advertising to offline promoting, and we are extremely good at exhibition projects.

## Store Fixtures

We focus on the innovation and individuality of the retail store, ensuring that all the products are organized and displayed in an attractive and efficient way. It is commonly acknowledged that the style of the store and the way of display will have a tremendous impact on a retailer's success, no matter he is selling toys, electronics, cosmetics, jewelries, watches, or clothes.
